

Lakeshore Health Network and MHP Case Management Team

3rd Annual Gleaner Food Truck Challenge

invites you to participate
in a Gleaner Food Truck Challenge

Last year *Legacy Westshore Health Network* physicians and staff raised \$3500 to help feed the growing number of families that need assistance. We could not have done this without the help of the following offices:

Dr. Timothy Beechnau
Dr. Willard Debraber
Dr. Gary Gurden
Dr. Andrew Kleaveland
Dr. Raymond Komray
Dr. John LeClaire
Dr. Carol Markiewicz
Dr. Benjamin Nykamp
Dr. Robert Pierce

Times have been tough for many people in Muskegon. The cost of purchasing a Gleaner Truck is \$790.00 for 10,000 lbs of food which will feed 250 families with dairy, fruit, vegetables and other foods that the recipients don't normally get from a food pantry.

If you would like to participate in this Lakeshore Health Network challenge please make check payable to *Second Harvest Gleaners* and mail your donation to:
