MOBILE FOOD TRUCK CHALLENGE

Stronger Together

Helping to Feed
Muskegon County

Phone 231-672-3882

Lakeshore Health Network has partnered with the Muskegon County Cooperating Churches to help reduce the hunger for the people living in our community. Last year the Physicians, Board Members, Staff at Lakeshore Health Network and MHP Case Management raised \$4,415.00

In February, Dr. Patricia Roy and her family sponsored and helped unload the food truck at the MATS Bus Station in Muskegon Heights. The Staff at Lakeshore Health Network were back at the MATS bus station in March. That stormy cold Saturday in March we had a larger than normal crowd of people who needed our help.

Muskegon County Cooperating Churches was able to use the additional fund to purchase

- 2 trucks at Muskegon Catholic Central High School
- 1.5 trucks at local churches in inter Muskegon

This year we have two opportunities to help the people in our community. First, we want to purchase a mobile truck that would be dedicated just to the people of Muskegon County. The cost of this truck is between \$13,000 to \$35,000 depending on the type of truck. The second, we would purchase individual trucks with 10,000 Lbs. of food costing \$800.00 per truck to feed 200 families.

THANK YOU FOR SUPPORTING LAKESHORE HEALTH NETWORK IN FEEDING THE COMMUNITY.
